DEED RESTRICTION; RESALE AND FORECLOSURE

You are buying an affordable home at a substantial discount price under the Commonwealth of Massachusetts Local Initiative Program (LIP); because of this there are requirements that the home remain affordable for future buyers of your property.

You will sign a “deed rider” which describes your responsibilities under this affordable housing program. The deed restriction is in perpetuity. The restrictions will apply to you and to future buyers of your home. The Department of Housing & Community Development, the Plymouth Redevelopment Authority and the Town of Bridgewater, strongly urge you to review the deed rider with your attorney and lender. You should only complete the purchase if all your questions have been answered and you are comfortable with the deed rider and the restrictions.

A general description of important deed restrictions are as follows:

Principal Residence

The property must be your principal residence, where you regularly live, eat, sleep, are registered to vote, etc....

Leasing and Refinancing

You may not rent or lease your home without the prior written consent of the monitoring agency (Plymouth Redevelopment Authority/PRA) and the Department of Housing & Community Development (DHCD). In addition, you must tell the monitoring agency (Plymouth Redevelopment Authority/PRA) and the Department of Housing and Community Development if you are going to refinance your mortgage.

Selling your Home

If you want to sell your home, you must notify the Town of Bridgewater, the Plymouth Redevelopment Authority and the Department of Housing and Community Development. This notice is called a Conveyance Notice in the Deed Rider. The notice must include the Resale Price Multiplier and the maximum resale price. The PRA must approve the maximum resale price.

Maximum Resale Price

If you choose to sell your home, there is a limit on the resale price.

Resale Process

Upon notice that the owner wishes to sell in accordance with the provisions of the Deed Rider, the Town of Bridgewater, the Plymouth Redevelopment Authority or the Massachusetts Department of Housing and Community Development will try to find an eligible buyer. The seller may also assist in finding an eligible homebuyer. Even if the unit is sold to an ineligible buyer in the future, the deed rider remains in place and limits the profit to the seller.

Foreclosure

In the event of foreclosure proceedings, the LIP Deed rider does not protect you against the foreclosing lender's right to pursue a deficiency against you. Even if the foreclosure sale is greater than the funds due to the lender, the excess will be paid to the Town of Bridgewater. By signing the LIP Deed Rider, you are agreeing to assign any rights and interest you may otherwise have in the balance of any foreclosure proceeds.

APPLICANT SELECTED TO PURCHASE THE AFFORDABLE UNIT

The unit is offered on a first come first serve basis to the first eligible household. The first eligible applicant to submit all documentation as noted below will have the first opportunity to purchase. The winning applicant's information is then sent to the Massachusetts Department of Housing and Community Development for final approval.

When the applicant is notified that they have been approved, the applicant will have **two weeks** to sign a Purchase and Sale and then an additional 60 days to obtain financing and purchase the unit.

APPENDIX I

DEFINITION OF INCOME

Annual gross income means all amounts, monetary or not, which go to, or on behalf of, the family head or spouse or to any other family member received from a source outside the family during the 12-month period following application.

Annual income includes but is not limited to:

1. The full amount, before any payroll deductions, of wages and salaries, overtime pay, commissions, fees, tips, and bonuses, and other compensation for personal services.
2. The net income from the operation of a business or profession. Expenditures for business expansion or amortization of capital indebtedness shall not be used as deductions in determining net income. An allowance for depreciation of assets used in a business or profession may be deducted, based on straight line depreciation, as provided in Internal Revenue Service regulations. Any withdrawal of cash or assets from the operation of a business or profession will be included in income, except to the extent the withdrawal is reimbursement of cash or assets invested in the operation by the family.
3. Interest, dividends, and other net income of any kind from real or personal property. Expenditures for amortization of capital indebtedness shall not be used as deductions in determining net income. An allowance for depreciation is permitted as provided by the Internal Revenue Service regulations.
4. The full amount of periodic amounts received from Social Security, annuities, insurance policies, retirement funds, pensions, disability or death benefits, and other similar types of periodic receipts, including a lump-sum amount that is the delayed start of a periodic payment.
5. Payment in lieu of earnings, such as unemployment and disability compensation, worker's compensation and severance pay.
6. Periodic and determinable allowances, such as alimony and child support payments, and regular contributions or gifts received from organizations or from persons not residing in the dwelling.
7. All regular, special pay, and allowances of a member of the Armed Forces.
8. Income derived from assets to which any member of the family has access.

Annual Income Does NOT include the following:

1. Income from employment of children (including foster children) under the age of 18 years.
2. Payments received for the care of foster children or foster adults. (usually persons with disabilities, unrelated to the tenant family, who are unable to live alone)

3. Lump-sum additions to family assets, such as inheritances, insurance payments (including payments under health and accident insurance and worker's compensation), capital gains, and settlement for personal or property losses.
4. Amounts received by the family that are specifically for, or in reimbursement of, the cost of medical expenses for any family member.
5. Income of a live-in-aid.
6. The full amount of student financial assistance paid directly to the student or to the educational institution.
7. The special pay to a family member serving in the Armed Forces who is exposed to hostile fire.
8. Temporary, nonrecurring, or sporadic income such as gifts.
9. Deferred periodic amounts from supplemental Social Security income and Social Security benefits that are received in a lump sum amount or in prospective monthly amounts.
10. Amounts paid by a state agency to a family with a member who has a developmental disability and is living at home to offset the cost of services and equipment needed to keep the developmentally disabled family member at home.
11. Amounts specifically excluded by any other Federal statute from consideration as income for the purpose of determining eligibility or benefits under a category of assistance program.

DEFINITION OF ASSETS

The value of necessary items of personal property, such as furniture or automobiles shall be excluded. Determination of assets shall be based upon a full and fair cash value of the asset at the time of application to the program. If a potential purchaser divests himself or herself of an asset for less than full and fair present cash value of the asset within one year prior to application, the full and fair cash value of the asset at the time of its disposition must be declared and shall be included for the purpose of calculating eligibility.

Household Assets include the following:

1. Cash held in savings and checking accounts, safe deposit boxes, homes, etc. For savings accounts, use the current balance. For checking accounts, use the average balance for the last six (6) months.
2. Revocable trusts: The cash value of any revocable trust available to the applicant.
3. Equity in rental property or other capital investments: The current fair market value less (a) any unpaid balance on any loans secured by the property, and (b) reasonable cost that would be incurred in selling the asset (e.g., penalties, broker fees, etc.).
4. Stocks, bonds, treasury bills, certificates of deposit, mutual funds, and any money market accounts: The value of stocks and other assets vary from one day to another and should be determined no more than 1 month in

advance of the applicant's submission to participate in the subject housing program.

5. Individual retirement, 401K, and Keogh accounts: When the holder has access to the funds, even though a penalty may be assessed. If the applicant is making occasional withdrawals from the account, determine the amount of the asset by using the average balance for the previous six (6) months. (Do not count withdrawals as income.)
6. Retirement and pension funds:
 - a. While the person is employed: Amounts the applicant withdraws without retiring or terminating employment. Count the whole amount less any penalties or transaction costs.
 - b. At retirement, termination of employment, or withdrawal: Periodic receipts from pension and retirement funds are counted as income. Lump sum receipts from pension and retirement funds are counted as assets. Count the amount as an asset or as income, as provided below. If benefits will be received in a lump sum, include the lump sum receipt in net household assets. If benefits will be received through periodic payments, include the benefits in annual income. Do not count any remaining amounts in the account as an asset.

If the applicant initially receives a lump-sum benefit followed by periodic payments, count the lump-sum benefit as an asset and treat the periodic payment as income. In subsequent years, count only the periodic payment as income. Do not count the remaining amount as an asset.

NOTE: This paragraph assumes that the lump-sum receipt is a onetime receipt and the it does not represent delayed periodic payments, then the account would be considered as income and not an asset.

7. Cash value of life insurance policies available to the applicant before death (e.g., the surrendered value of whole life policy or a universal policy): Do not include a value for term insurance, which has no cash value to the applicant before death.
8. Personal property held as an investment: Gems, jewelry, coin collections, or antique cars held as investment. Personal jewelry is NOT considered an asset.
9. Lump-sum receipts or one-time receipts: Inheritance, capital gains, one-time lottery winnings, victim's restitution, settlement on insurance claims (including health and accident insurance, worker's compensation, and personal or property losses), and any other amounts that are not intended as periodic payments.
10. A mortgage or deed of trust held by an applicant: Payments on this type of asset are often received as one combined payment for principal and interest with the interest portion counted as income from the asset. This combined figure needs to be separated into the principal and interest portions of the payment. (This can be done by referring to an amortization schedule that relates to the specific term and interest rate of the mortgage.)

11. A life estate: A life estate is an interest in real property which entitles the life tenant to benefit from the property until his or her death. Usually, the life tenant is entitled to the use of a house for life and may be entitled to sell his or her interest. This right is of value to the tenant but is rarely sold on an open market. (Purchasers of real property would typically not be tempted by such an uncertain term of ownership.)

The value of an applicant's life estate is included when calculating his or her assets based on the Internal Revenue Service's latest guidance to determine the value of life estates. (See Internal Revenue Service Publication 1457, "Actuarial Values, Book Aleph," (7-1999).)

Household Assets DO NOT include the following:

1. Personal property (clothing, furniture, cars, wedding rings, other jewelry that is not held as an investment, vehicles specially equipped for persons with disabilities).
2. Interests in Indian trust land.
3. Term life insurance policies (i.e., where there is no cash value).
4. Equity in the cooperative unit in which the applicant lives.
5. Assets that are part of an active business: "Business" does NOT include rental of properties that are held as investments unless such properties are the applicant's main occupation.
6. Assets that are NOT effectively owned by the applicant: Assets are not effectively owned when they are held in an individual's name but: (a) the assets and any income they earn accrue to the benefit of someone else who is not the applicant, and (b) that other person is responsible for income taxes incurred on income generated by the assets.

**LOCAL INITIATIVE PROGRAM (LIP)
HOMEBUYER DISCLOSURE STATEMENT**

This Homebuyer Disclosure Statement summarizes your rights and obligations in purchasing this home. You are about to purchase a home located at __248 Center Street_____, in __Bridgewater_____, Massachusetts (the “Municipality”) at less than the home’s fair market value, under the Local Initiative Program (LIP). When you sell the home, that same opportunity will be given to the new buyer. In exchange for the opportunity to purchase the home at less than its fair market value, you must agree to certain use and transfer restrictions. These restrictions are described in detail in a LIP Deed Rider that will be attached to the deed to your home and recorded at the Registry of Deeds.

PLEASE REMEMBER:

- You must occupy this home as your primary residence;
- You must obtain consent from the Department of Housing and Community Development (DHCD) and the Municipality [and __N/A_____ (if another monitoring agent is listed)] (together they are referred to as the “Monitoring Agents” in this Homebuyer Disclosure Statement) before renting, refinancing or granting any other mortgage, or making any capital improvements to your LIP home;
- You must give written notice to the Monitoring Agents when you decide to sell your property.

The contact information for the Monitoring Agents is listed in the LIP Deed Rider.

Please read the LIP Deed Rider restriction in its entirety because it describes and imposes certain important legal requirements. It is strongly recommended that you consult an attorney to explain your legal obligations and responsibilities.

Primary Residence

You must occupy your LIP property as your primary residence.

Renting, Refinancing and Capital Improvements

You must obtain the prior written consent of the Monitoring Agents before you do any of the following:

- Rent your LIP home;
- Refinance an existing mortgage or add any other mortgage including a home equity loan; or
- Make any Capital Improvements (for example, a new roof or a new septic system – see attached Capital Improvements Policy) if you wish to get credit for those costs (at a discounted rate) when you sell your home.

Before taking any action, please contact DHCD for instructions on renting, mortgaging, or making capital improvements to your home. If you do not obtain the required consent from the Monitoring Agents, you can be required to pay all of the rents or proceeds from the transaction to the Municipality.

Resale Requirements

When you sell your home, you are required to give written notice to the Monitoring Agents of your desire to sell so that they may proceed to locate an Eligible Purchaser for your LIP home. Your sale price will be computed by DHCD based on the formula set forth in the LIP Deed Rider to reflect your original purchase price plus certain limited adjustments.

The allowed sale price is defined as the “Maximum Resale Price” in the LIP Deed Rider. It is calculated by adjusting the purchase price you paid for the home to reflect any change in the area median income from the time you purchased the LIP home to the time of the resale plus:

- (a) The Resale Fee as stated in the LIP Deed Rider;
- (b) Approved marketing fees, if any; and
- (c) Approved Capital Improvements, if any.

The Maximum Resale Price can never be more than the amount which is affordable to an Eligible Purchaser earning 70% of the area median income, as determined by a formula set forth in the LIP Deed Rider. The sales price will also never be less than the purchase price you paid, unless you agree to accept a lower price.

The Monitoring Agents have up to 90 days after you give notice of your intention to sell the home to close on a sale to an Eligible Purchaser, or to close on a sale to a Monitoring Agent, or to a buyer that one of them may designate. This time period can be extended, as provided in the LIP Deed Rider, to arrange for details of closing, to locate a subsequent purchaser if the first selected purchaser is unable to obtain financing or *for lack of cooperation* on your part.

It is your obligation to cooperate fully with the Monitoring Agents during this resale period.

If an Eligible Purchaser fails to purchase the home, and none of the Monitoring Agents (or their designee) purchases the home, you may sell the home to a purchaser who does not qualify as an Eligible Purchaser (in this event, this purchaser is referred to as an ineligible purchaser), subject to the following:

- (i) the sale must be for no more than the Maximum Resale Price;
- (ii) the closing must be at least 30 days after the closing deadline described above;
- (iii) the home must be sold subject to a LIP Deed Rider; and
- (iv) if there are more than one interested ineligible purchasers, preference will be given to any purchaser identified by DHCD as an appropriately-sized household whose income is more than 80% but less than 120% of the area median income.

Any sale by you to an Eligible Purchaser, or to an ineligible purchaser (as described in the LIP Deed Rider), is subject to the normal and customary terms for the sale of property, which are set forth in the LIP Deed Rider and which will be included in your Purchase and Sale Agreement.

There is no commitment or guarantee that an Eligible Purchaser will purchase the LIP home, or that you will receive the Maximum Resale Price (or any other price) for your sale of the LIP home.

A sale or transfer of the home will not be valid unless (1) the total value of all consideration and payments of every kind given or paid by the selected purchaser do not exceed the Maximum Resale Price, and (2) the LIP Compliance Certificate that confirms that the sale or transfer was made in compliance with the requirements of the LIP Deed Rider is executed by the Monitoring Agents and recorded at the Registry of Deeds by the closing attorney.

If you attempt to sell or transfer the home without complying with the LIP Deed Rider requirements, the Monitoring Agents may, among their other rights, void any contract for such sale or the sale itself.

Foreclosure

In the event that the holder of a mortgage delivers notice that it intends to commence foreclosure proceedings, the LIP Deed Rider gives the Municipality an option to purchase the home (or to designate another party to purchase the home) for a period of 120 days after notice of the Lender's intent to foreclose.

If this foreclosure purchase option is exercised, the purchase price will be the greater of (i) the amount of the outstanding balance of the loan secured by the mortgage, plus the outstanding balance of the loans secured by any mortgages senior in priority, up to the Maximum Resale Price as of the date the mortgage was granted, plus any future advances, accrued interest and/or reasonable costs and expenses that the mortgage holder is entitled to recover, or (ii) the Maximum Resale Price at the time of the foreclosure purchase option, except that in this case the Maximum Resale Price may be less than the purchase price you paid. By signing the LIP Deed Rider, you are agreeing that you will cooperate in executing the deed to the Municipality (or its designee) and any other required closing documents.

If the foreclosure purchase option has not been exercised within 120 days of delivery of the foreclosure notice to the Monitoring Agents, the mortgage holder may conduct a foreclosure sale. The mortgage holder or an ineligible purchaser may purchase the home at the foreclosure sale, subject to the LIP Deed Rider.

If the sale price at the foreclosure sale is greater than the purchase price that would have applied for the Municipality's foreclosure purchase option as described above, the excess will be paid to the Municipality. By signing the LIP Deed Rider, you are agreeing to assign any rights and interest you may otherwise have in the balance of any foreclosure proceeds available after satisfaction of all obligations to the holder of the foreclosing mortgagee, for delivery to the Municipality.

There is no commitment or guarantee that the Municipality will exercise the foreclosure purchase option, or that your Lender will receive the Maximum Resale Price (or any other price) in any foreclosure sale of the LIP home. In addition, the foreclosing lender retains the right to pursue a deficiency against you.

Violation of Restriction Requirements

If you violate any of the Restriction terms, you will be in default and the Monitoring Agents may exercise the remedies set forth in the LIP Deed Rider.

If one or more of the Monitoring Agents brings an enforcement action against you and prevails, you will be responsible for all fees and expenses (including legal fees) for the Monitoring Agent(s). The Monitoring Agent(s) can assert a lien against the home to secure your obligation to pay those fees and expenses.
