These affordable apartments have an open concept floor plan, granite countertops, a kitchen island, and washer/dryer. The apartments are heated by natural gas hot air. Hot water is also by natural gas. Stainless steel kitchen appliances include oven, microwave, dishwasher, and refrigerator. Floor coverings are a mix of carpet, wood, and tile.

This property contains six affordable units, which includes one 3-bedroom, two-bathroom apartment (1,366 sq.ft.), two 1-bedroom, 1 bathroom apartment (713 sq.ft), two 2-bedroom apartments (1,055 sq.ft.), and one 1-bedroom (713 sq.ft.) accessible apartment. This is a pet friendly development in accordance with the Redbrook Landowners Associations Restrictions on Animals.

The rents are not income based or subsidized. You are responsible for the full monthly rent. Section 8 or other housing voucher is accepted but you should contact your Section 8 provider to determine if they will accept the project and the rents. The monthly rents are: One Bedroom - $1,376; Two Bedroom - $1,643; Three Bedroom - $1,879. The approximate minimum income to lease a 1-BR affordable apartment at Redbrook Apartments is $55,000 - $65,700. The rent to income ratio required to lease a unit is 30% (i.e. applicant’s monthly income must be approximately three times the monthly rent). Applicants may make less than the minimum incomes shown above if they have sufficient savings from which they can draw down otherwise, applicants will not be found to be eligible for a lease if they make less than the incomes shown above. Applicants who have receive a housing subsidy (like Section 8) are not subject to the minimum income requirements but, like all other applicants, will also have to pass reviews on credit scores, tenant history, and criminal background checks in accordance with DHCD’s requirements regarding same. Please see “Leasing Office Review” in the step-by-step process for more details. Again, these minimum incomes are not required by the affordable housing program, they are just estimations of minimum incomes required by the leasing office.

Included in this package is the list of required documentation and additional forms, if applicable, to be sent in with your application. Maximum Income
Eligible applicants must have a combined annual household income from all sources, for all income-earning members of the household, of not more than 80% of area median income, as defined by HUD and adjusted for household size. Income limits are subject to change and will be updated whenever HUD issues new limits. </tr>
<tr>
<td>5</td>
<td>$96,350</td>
</tr>
<tr>
<td>6</td>
<td>$103,500</td>
</tr>
</tbody>
</table>

*Income limits are subject to change

Minimum Income
The household income must be sufficient for the unit to be affordable to the household. Specifically, the monthly rent plus utilities must not equal more than 30% of the household’s gross income. When utilities are paid for by the tenant, a factor approved by the Massachusetts Department of Housing and Community Development is assigned. The utility factor for the 1-BR units is $145, 2-BR units is $181, and 3-BR unit is $240. The landlord is responsible for trash. The tenant is responsible for heat, water, cooking, and electricity.

Assets
Although there is no specific asset limit, assets are given an imputed income value that is used in calculating the applicant’s income. The higher of the actual income from the assets or an imputation at .06% of the assets exceeding $5,000 is counted towards the income limit.

In addition, if any member of the household owns a home, that home must be sold prior to entering into this lease according to the time schedule listed below. An applicant cannot own another home, including in trust.
LEASE PROVISIONS
The form of lease for the unit is attached. Please read it carefully. The lease is for 1 year and stipulates:

• The tenant may not be evicted for any reason other than substantial violation of a material provision of the lease.
• The tenant shall be given a minimum of 60 days written notice that the lease will not be renewed.
• The tenant is required to furnish annual information sufficient to determine and document continued compliance with the income eligibility requirements.
• The tenant shall furnish the names and the number of people in the household and their relationship to one another annually and whenever a change to the household occurs.
• The first month’s rent will be due at lease signing. The last month’s rent will be due at occupancy. The security deposit may be paid in over the first 5 months of the lease term.

HOUSEHOLD SIZE
Household size should be appropriate for the number of bedrooms in the home.

A “household” shall mean two or more persons who will live regularly in the unit as their primary residence and who are related by blood, marriage, law or who have otherwise evidenced a stable inter-dependent relationship, or an individual.

Household size shall not exceed the Massachusetts State Sanitary Code requirements. (105 CMR 400).

APPLICANTS SELECTED TO RENT THE AFFORDABLE UNIT
Applications will be drawn for the unit at the lottery and will be numbered in the order that they are selected and used to create a master list. The unit will be offered to the first applicant on the list. The list will be retained and used as a waiting list with the unit being offered to households in that order if the initial tenants falls through.

Upon final approval notification, the applicant will have two weeks to sign the Lease with an occupancy date of no more than 60 additional days from the signing. Selected applicants who are unable to proceed within those time frames will forfeit their right to lease and the next applicant in the order selected by the Lottery will be offered the unit.

It is important for all applicants that have been awarded a Unit at the lottery to understand that they may have an opportunity to select their unit if they meet all the post lottery deadlines. Unit selection will be done in ranking order post lottery for the initial 4 applicants that have the opportunity to lease based on the lottery results only.

Selection will happen after the Redbrook Leasing Office application has been completed and approved. If the Redbrook Leasing Office denies your application, then you will not be able to lease. Applicants that miss the provided deadlines will lose the opportunity to lease as we will move to the next applicant on the lottery wait list.
Upon signing the residency agreement, the applicant is agreeing to abide by the rules of residency agreement and at Redbrook Leasing Office. Resident leases have a term of one year. Approximately four months prior to the expiration of the agreement, residents will be notified of their obligation to recertify their income with Redbrook Apartments. Failure to do so will result in the loss of the affordability eligibility causing the tenant to move to another unit and pay full market resident fees or vacate the premises.
APPENDIX I

DEFINITION OF INCOME

Annual gross income means all amounts, monetary or not, which go to, or on behalf of, the family head or spouse or to any other family member received from a source outside the family during the 12-month period following application.

Annual income includes but is not limited to:

1. The full amount, before any payroll deductions, of wages and salaries, overtime pay, commissions, fees, tips, and bonuses, and other compensation for personal services.
2. The net income from the operation of a business or profession. Expenditures for business expansion or amortization of capital indebtedness shall not be used as deductions in determining net income. An allowance for depreciation of assets used in a business or profession may be deducted, based on straight line depreciation, as provided in Internal Revenue Service regulations. Any withdrawal of cash or assets from the operation of a business or profession will be included in income, except to the extent the withdrawal is reimbursement of cash or assets invested in the operation by the family.
3. Interest, dividends, and other net income of any kind from real or personal property. Expenditures for amortization of capital indebtedness shall not be used as deductions in determining net income. An allowance for depreciation is permitted as provided by the Internal Revenue Service regulations.
4. The full amount of periodic amounts received from Social Security, annuities, insurance policies, retirement funds, pensions, disability or death benefits, and other similar types of periodic receipts, including a lump-sum amount that is the delayed start of a periodic payment.
5. Payment in lieu of earnings, such as unemployment and disability compensation, worker’s compensation, and severance pay.
6. Periodic and determinable allowances, such as alimony and child support payments, and regular contributions or gifts received from organizations or from persons not residing in the dwelling.
7. All regular, special pay, and allowances of a member of the Armed Forces.
8. Income derived from assets to which any member of the family has access.

Annual Income Does NOT include the following:

1. Income from employment of children (including foster children) under the age of 18 years.
2. Payments received for the care of foster children or foster adults. (usually persons with disabilities, unrelated to the tenant family, who are unable to live alone)
3. Lump-sum additions to family assets, such as inheritances, insurance payments (including payments under health and accident insurance and worker’s compensation), capital gains, and settlement for personal or property losses.
4. Amounts received by the family that are specifically for, or in reimbursement of, the cost of medical expenses for any family member.
6. The full amount of student financial assistance paid directly to the student or to the educational institution.
7. The special pay to a family member serving in the Armed Forces who is exposed to hostile fire.
8. Temporary, nonrecurring, or sporadic income such as gifts.
9. Deferred periodic amounts from Supplemental Social Security income and Social Security benefits that are received in a lump sum amount or in prospective monthly amounts.
10. Amounts paid by a state agency to a family with a member who has a developmental disability and is living at home to offset the cost of services and equipment needed to keep the developmentally disabled family member at home.
11. Amounts specifically excluded by any other Federal statute from consideration as income for the purpose of determining eligibility or benefits under a category of assistance program.

**DEFINITION OF ASSETS**

The value of necessary items of personal property, such as furniture or automobiles shall be excluded. Determination of assets shall be based upon a full and fair cash value of the asset at the time of application to the program. If a potential purchaser divests himself or herself of an asset for less than full and fair present cash value of the asset within two years prior to application, the full and fair cash value of the asset at the time of its disposition must be declared and shall be included for the purpose of calculating eligibility.

**Household Assets include the following:**

1. Cash held in savings and checking accounts, safe deposit boxes, homes, etc. For savings accounts, use the current balance. For checking accounts, use the average balance for the last six (6) months.
2. Revocable trusts: The cash value of any revocable trust available to the applicant.
3. Equity in rental property or other capital investments: The current fair market value less (a) any unpaid balance on any loans secured by the property, and (b) reasonable cost that would be incurred in selling the asset (e.g., penalties, broker fees, etc.).
4. Stocks, bonds, treasury bills, certificates of deposit, mutual funds, and any money market accounts: The value of stocks and other assets vary from one day to another and should be determined no more than one month in advance of the applicant’s submission to participate in the subject housing program.
5. Individual retirement, 401K, and Keogh accounts: When the holder has access to the funds, even though a penalty may be assessed. If the applicant is making occasional withdrawals from the account, determine the amount of the asset by using the average balance for the previous six (6) months. (Do not count withdrawals as income.)
6. Retirement and pension funds:
   a. While the person is employed: Amounts the applicant withdraws without retiring or terminating employment. Count the whole amount less any penalties or transaction costs.
   b. At retirement, termination of employment, or withdrawal: Periodic receipts from pension and retirement funds are counted as income. Lump sum receipts from pension and retirement funds are counted as assets. Count the amount as an asset or as income, as provided below. If benefits will be received in a lump sum, include the lump sum receipt in net household assets. If benefits will be received through periodic payments, include the benefits in annual income. Do not count any remaining amounts in the account as an asset.
If the applicant initially receives a lump-sum benefit followed by periodic payments, count the lump-sum benefit as an asset and treat the periodic payment as income. In subsequent years, count only the periodic payment as income. Do not count the remaining amount as an asset.

NOTE: This paragraph assumes that the lump-sum receipts is a onetime receipt and the it does not represent delayed periodic payments, then the account would be considered as income and not an asset.

7. Cash value of life insurance policies available to the applicant before death (e.g.; the surrendered value of whole life policy or a universal policy): Do not include a value for term insurance, which has no cash value to the applicant before death.

8. Personal property held as an investment: Gems, jewelry, coin collections, or antique cars held as investment. Personal jewelry is NOT considered an asset.

9. Lump-sum receipts or one-time receipts: Inheritance, capital gains, one-time lottery winnings, victim’s restitution, settlement on insurance claims (including health and accident insurance, worker’s compensation, and personal or property losses), and any other amounts that are not intended as periodic payments.

10. A mortgage or deed of trust held by an applicant: Payments on this type of asset are often received as one combined payment for principal and interest with the interest portion counted as income from the asset. This combined figure needs to be separated into the principal and interest portions of the payment. (This can be done by referring to an amortization schedule that relates to the specific term and interest rate of the mortgage.)

11. A life estate: A life estate is an interest in real property which entitles the life tenant to benefit from the property until his or her death. Usually, the life tenant is entitled to the use of a house for life and may be entitled to sell his or her interest. This right is of value to the tenant but is rarely sold on an open market. (Purchasers of real property would typically not be tempted by such an uncertain term of ownership.)

The value of an applicant’s life estate is included when calculating his or her assets based on the Internal Revenue Service’s latest guidance to determine the value of life estates. (See Internal Revenue Service Publication 1457, “Actuarial Values, Book Aleph,” (7-1999).)

Household Assets DO NOT include the following:

1. Personal property (clothing, furniture, cars, wedding rings, other jewelry that is not held as an investment, vehicles specially equipped for persons with disabilities).

2. Interests in Indian trust land.

3. Term life insurance policies (i.e., where there is no cash value).

4. Equity in the cooperative unit in which the applicant lives.

5. Assets that are part of an active business: “Business” does NOT include rental of properties that are held as investments unless such properties are the applicant’s main occupation.

6. Assets that are NOT effectively owned by the applicant: Assets are not effectively owned when they are held in an individual’s name but (a) the assets and any income they earn accrue to the benefit of someone else who is not the applicant, and (b) that other person is responsible for income taxes incurred on income generated by the assets.

FAQ & Answer

The units will be leased in accordance with policies and guidelines established by the Commonwealth of Massachusetts Department of Housing and Community Development (DHCD).

What are the income qualifications required for Prospective Tenants?
Qualify based on the following maximum income table, which is adjusted for household size:

<table>
<thead>
<tr>
<th>Household Size</th>
<th>1</th>
<th>2</th>
<th>3</th>
<th>4</th>
<th>5</th>
<th>6</th>
</tr>
</thead>
<tbody>
<tr>
<td>Max Gross Allowable Income</td>
<td>$64,450</td>
<td>$71,400</td>
<td>$80,300</td>
<td>$89,200</td>
<td>$96,350</td>
<td>$103,500</td>
</tr>
</tbody>
</table>

(Income limits are subject to change when HUD releases the 2020 income limits.)

LOTTERY APPLICANT QUALIFICATIONS:
1. Household income cannot exceed the above maximum gross allowable income limits.
2. When assets total $5,000 or less, the actual income received is included in the annual income as income from assets OR when assets exceed $5,000, annual income includes the greater of actual income from assets or a .06% imputed income calculation. Included in this package is the List of Required Financial Documentation.
3. In addition to income and asset eligibility you will also be subject to a screening by the project and determined eligible based on that basis.
4. Households requiring the handicap accessible units will be given first preference for such units regardless of what pool they are in based on the requested bedroom size. Where a person with a disability is awaiting an accessible unit and a unit with adaptive features becomes available, the owner/management agent must offer to adapt the unit.
5. Full-time college students renting an apartment on their own will not be eligible for an affordable apartment if they have been in school during 5 months in the certification year.

LOTTERY PROCESS
Due to the nature of the affordable units’ availability it is important for everyone to understand the procedure. Please understand the allowable income guidelines are adjusted based upon your household size. Also, be advised that the program and its requirements are subject to changes in local, state or federal regulations. Six (6) affordable units are available by lottery at Redbrook Apartments.

All of the eligible applicants for will be pulled at the time of the lottery. This will establish the rankings for the distribution of units. This means if you are a one-person household and by the above definition require a one-bedroom unit and are drawn first in the lottery you will be offered a one-bedroom unit. If you are a three-person household and by definition require a two-bedroom unit and are drawn first you will be offered a two-bedroom unit. Households requiring the handicap accessible units will have priority for the available accessible units no matter where their ranking is on the lottery list.

Once the lottery rankings have been determined your information will be forwarded to the Leasing Office for credit and background, income, and asset checks. You will not be offered a lease until you are determined eligible by Plymouth Redevelopment Authority and the Leasing Office. If either one determines you do not meet the eligibility criteria, then you will not be able to lease a unit.

**Time Frames**
The units will be available for immediate occupancy. If you are selected and have the opportunity to lease a unit you will speak or meet with a representative to review your application to verify all information. Please be advised that the official income verification will be done at the time you have an opportunity to lease. Also understand you need to be income and asset eligible but will also, at minimum, be subject to a credit screening, landlord screening, employment verification, criminal background and CORI checks by the project and determined eligible or ineligible on that basis.

**Acceptance of Units**
It is important for all applicants to understand that specific units are attached to specific lottery rankings based upon the projected availability of the completed unit. Applicants may have a choice of unit locations, style or schedules. You will not be able “pass” on a unit and wait for another unit. If you choose not to take the designated unit, you will go to the bottom of the list and may not have another opportunity.

**What happens if my household is selected in the lottery, we sign a lease, and shortly after the lottery our income exceeds the income limit?**
Annually you will be recertified for eligibility. Once your household income exceeds 140% of the maximum allowable income adjusted for household size, you will have the option of staying in your unit at the end of your current lease and paying the market rent or not renewing your lease.
